MONDAY.

The Jackson Herald tells its subscribers: "You can pay your subscription in wood, sorghum, potatoes, corn, wheat, oats or any old thing." People who want a fairer offer than that must be very hard to please.

The good brother who presides over the destinies of the Jackson Cash-Book doubtless means well, but he should take more pains to inform himself on current events before he advertises his ignorance. The editor of the Cape Girardeau DEMOCRAT has not been left off the list of election judges this year, and he will be on hand to see that McGuire's crowd do not have a chance to get in any of their dirty work in his precinct.

Moments are useless if trifled away and they are dangerously wasted if consumed by delay in cases where One Minute Cough Cure would bring immediate relief. W. H. Coerver.

The city is often raised that a circus takes a great deal of money out of a community. It does, but it does not take anything like the amount the patrons of the circus spend for other things. On a day like Saturday when the town is filled with people, those who spend fifty cents for a circus ticket, spend a couple of dollars, and probably more, which finds its way into the cash drawers of the business men of the city. If one could strike a balance he would find that by reason of the circus being here much more money is left in town than is taken out of it.

Running sores, indolent ulcers and similar troubles, even though of many years' standing, may be cured by using DeWitt's Witch Hazel Salve. It soothes, strengthens and heals. It is the great pile cure. W. H. Coerver.

Benton Record: "J. W. Taylor, deputy sheriff of Cape county spent a couple of days here this week. Mr. Taylor unearthed the first conclusive evidence of the cattle stealers gang and secured the conviction of Barnes and Jones, now doing time at Jefferson City."

The Benton Record says: "Perhaps of the greatest interest of any cases before this court is most people is the cattle stealing cases. The grand jury has been busy investigating them most of the week, but none have gone to trial up to the time this paper goes to press. Probably our next paper can note the final breaking up and punishment of such as are guilty of this gang of law-breakers."

If you are bilious, try Dr. Sawyer Little Wide Awake Pills, you will find them just what you want. Try a free sample. They do not gripe. Sold at M. Maple Wilson's drug store.

Hon. George M. Miley, Republican candidate for Congress, accompanied by Col. G. C. Thilenius, Ed. H. Engelmenn, C. F. Betten, Ben Goekel, Ed. Hayes and Judge Bartels left here this morning to make a trip over the county.

G. R. Ulrich, the well-known traveling man writes from Fulton, Mo., that his house has given him back his old territory and his friends may expect a call from him about December 1st. Mr. Ulrich's friends, of whom there are a host in this section, will be glad to see his smiling face again and will rejoice to shake hands with him once more.

A sixteen year old boy named Saves, and who claims to be an orphan, came down here from St. Louis on a shanty boat with the man who was engaged in selling soap on the streets last week. The boy claimed that the man abused him and on this account he left him. He called at the Prescott House, told his story, enlisted the sympathy of Rudy Huhn, and the latter will try to find him a home.

Turkeys that know their business have already commenced to roost high at night in anticipation of the efforts that will be made to allure them with dainty food. Thanksgiving Day will soon be here and the fowls are sleeping with one eye open.

Certainly you don't want to suffer with dyspepsia, constipation, sick headache, sallow skin and loss of appetite. You have never tried DeWitt's Little Early Risers for these complaints or you would have been cured. They are small pills but great regulators. Wm. H. Coerver.

Hon. George M. Miley, Republican candidate for Congress was in the city today and a guest of the Prescott House. Mr. Miley is not making much talk about what he is doing but nevertheless he is making a very effective canvass. The gentleman is one who cannot help making friends wherever he goes, as he possesses those elements of popularity which attract people. Mr. Miley addressed the people of Egypt Mills at 1:30 this afternoon, and will speak at Pochontas tonight. On the 29th the people of this city will have a chance to hear him.

Blagling Bros. have been playing in rather hard luck recently. At Malden they lost a valuable white elephant. Owing to some carelessness on the part of the elephant's keeper the ear in which the animal was being moved took fire and the animal was so badly burned before being rescued that he died of his injuries. The funeral took place at Malden.

It is an easy thing to cure if taken at time. It is dangerous to yell one for any length of time. Dr. Simmons' Cough Syrup is guaranteed. Fifty cents a bottle. For sale by all druggists.

The midway at the Cairo street fair must have been of an exceptionally tough and disgusting character, judging from what the Cairo papers say of it. The board of directors who managed the fair are gentlemen of known standing and respectability and the fairest inference is that a number of disgusting features they did not contemplate were wrung in on them by the midway fakirs. But they will have their eyes open next time.

Small precautions often prevent great mischiefs. DeWitt's Little Early Risers are very small pills in size, but are most effective in preventing the most serious forms of liver and stomach troubles. They cure constipation and headache and regulate the bowels. Wm. H. Coerver.

TUESDAY.

The residents of that portion of the city known as Hamrig desire it to be plainly understood that they were very much in the push on circus day. Beer flowed like water to that end of town and it refreshed hundreds of dry and thirsty gullets. Sandwiches were at a premium, and the man who had a supply of "winnies" and a lot of bread on hand reaped a harvest of dimes. The "Haarrigite" was strictly in evidence on Saturday.

G. R. Ulrich, of whom mention was made yesterday, will be here on November 1st instead of December 1st, as stated yesterday. Mr. Ulrich is representing the Steinwender-Stoffregen Coffee Co., of St. Louis.

Rich, Red and Pure Blood can be had by using Dr. Simmons' Sarsaparilla. Only 50 cents per bottle and 50 full doses for an adult.

The voter who votes the Republican ticket will need no pencil this year. The ticket will be a single sheet and all the voter will have to do when he goes in the booth will be to fold up his Republican ticket and hand it to the receiving judge to be placed in the ballot box. Don't monkey with a lead pencil.

Themis street above the court house is spoken of by visitors to the city as one of the prettiest streets to build on that they have seen anywhere. Some beautiful houses already ornament the street, but there is room for many more and it would be well if some of the old landmarks could be torn down and modern residences substituted for them.

The "Biggest's Best Friend" is a familiar name for DeWitt's Witch Hazel Salve, always ready for emergencies. While a specific for piles, it also instantly relieves and cures cuts, bruises, salt rheum, eczema and all affections of the skin. It never fails. Wm. H. Coerver.

A man was moved last night by the pleading of members of the Salvation army to renounce his evil ways and give his heart to the Savior. He made a very energetic and emphatic talk to the assembled crowd and stated that he had cut loose from the devil and his ways and henceforth would live a sober, righteous and godly life. His intentions were no doubt good and the man was sincere, but old habits were too strong and as soon as the meeting was over the convert went down the street, walked into a saloon and imbibed freely of corn juice. About an hour after the meeting he was seen leaning up against a telegraph pole singing in a low voice: "Oh! you must be a lover of the Lord."
